

205N (2) 2044
February 17, 1912.

The Secretary of the Interior.

Sir:

From recent investigations in connection with the Colorado River project the withdrawal of the hereinafter described lands withdrawn in the second form prescribed by Section 3 of the Reclamation Act of June 17, 1902 (32 Stat., 388), by Departmental order of July 2, 1902, no longer appears necessary to the interests of the project.

It is therefore recommended that so much of said order as withdrew the lands hereinafter listed be revoked, provided that such revocation shall not affect the withdrawal of any other lands by said order nor affect any other order withdrawing or reserving the lands hereinafter listed.

These lands are covered by an existing homestead entry and involve no power possibilities.
